

You're invited to showcase your skills!

BUBBLES, BREWS, & BITES

A fundraiser to support the Pensacola MESS Hall

Thursday, October 8, 2026 | 6 – 9 pm | Pensacola State College
Setup begins at 4:30 pm | 200 attendees

Promote your catering or restaurant

Participants will be featured in our marketing materials, including social media, reaching our entire audience.

Snap, crackle, pop, sizzle! The 2026 event theme is **SOUND**. We ask that each participant consider a creative way to highlight the sound of food. We can help with the science!

Portions should be suitable for grazing. Please provide proposed menu to ensure variety.

Participants will have plates. To reduce waste, consider food that can be transferred directly to the plates.

Funds raised at this event support programs by the Pensacola MESS Hall to inspire scientific curiosity in our community. Questions? Call Nicole Dickson at 850-207-7115 or email at nicole.dickson@pensacolamesshall.org.
